Welcome to My Portfolio

Motivated Frontend Developer and Software Engineering student with hands-on experience in React and Python. Passionate about building responsive, user-friendly applications and solving real-world problems using technology.

About Me

I am currently pursuing a Bachelor of Science in Software Engineering at Lahore Garrison University. I enjoy turning ideas into clean, functional web applications and I am always eager to learn new tools and frameworks that help me grow as a developer.

Work Experience

1. **Content & Documentation Assistant** — Edumission Consultancy Services, Lahore, Pakistan (April 2025 - June 2025)
 - Prepared SOPs and academic documents for student applications.
 - Assisted in application processing and managed end-to-end documentation tasks.
 - Collaborated with the team to ensure accurate and timely submission of client files.
2. **Python Development Intern** — CognoRise InfoTech, Remote (August 2024 - September 2024)
 - Worked on Python-based development tasks and improved core programming logic.
 - Gained hands-on experience with professional development workflows and best practices.

Projects

- **Sports Scheduling System** — A Python-based system for managing and scheduling sports events and teams, featuring scheduling algorithms and data management.
- **E-Wallet Application** — A desktop e-wallet app built with Python Tkinter, including transaction and balance management features.
- **Weather Web Application** — A JavaScript-based weather app that fetches and displays real-time weather data via external API integration.
- **Bank Management System** — A C++ console-based banking system with account creation, deposits, withdrawals, and balance tracking.

Skills

Programming Languages

- Python
- C++
- JavaScript

Web Development

- HTML
- CSS
- React.js
- Node.js
- Express.js

Software Testing

- Selenium

Design

- Blender

Tools & Version Control

- Git
- GitHub
- MS Word
- MS Excel

Soft Skills

- Communication
- Documentation
- Collaboration
- Quick Learner

Education

Bachelor of Science in Software Engineering

Lahore Garrison University — Present

- 5 Semesters Completed
- CGPA: 3.6
